

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

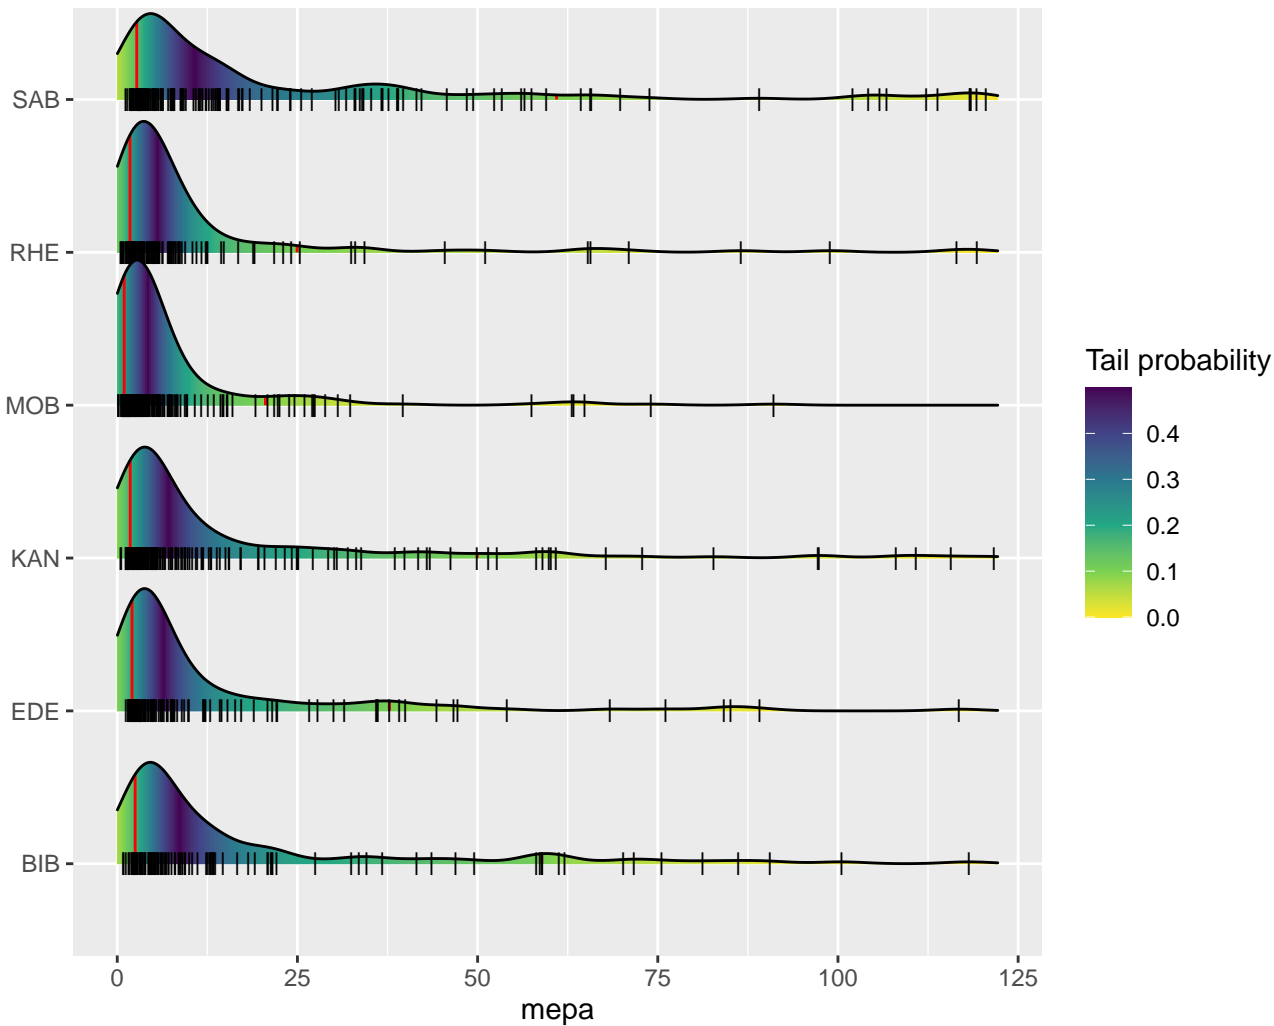

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Red bars: 10th and 90th percentiles.  
Figure truncated at the 90th percentile of the exposure.

cohort

Figure truncated at the 90th percentile of the exposure.
